

Alex, thank you for your observations. I appreciate your concern for this community. I believe that the council has taken this matter seriously and will continue to do so in the future. Alderperson Filicky-Peneski (aka Bert!).

Subject: Common Council meeting Oct 17 - public input

Estimados Mayor Sorenson and Alder Felde,

The Sheboygan Press' article published on Monday, October 10th evidenced that our city's administrator **doesn't know how to handle a simple apology, correct course, and confront the press in a competent way.** As a constituent, that makes me wonder in what other ways our trust in our city authorities has been misplaced.

There is **no sign** in the **strategic planning** process, **budget**, and efforts to **communicate with the community** that shows an intentional effort towards **transparency, accountability, and equity.**

Change is possible, and it is in the Mayor's and Council's hands to make it happen.

Thank you for serving your community, en solidaridad,

Alexandra Guevara
